## STARCHILD PROGRAM

**Help our children reach for the stars!** National Dance Institute's arts education programs transform the lives of thousands of New York City public school children and their families each year. With your support of our StarChild Program, we will be able to bring the magic and joy of the arts to even more children.

**\$25,000 ADOPT A SCHOOL** For 45 years, NDI has been a steadfast partner of New York City public schools. Your generosity will help bring our joyful and engaging arts and learning programs to an entire grade of children for a full year.

**\$10,000 ADOPT A CLASS** This year, NDI is inspiring students online in their classrooms, living rooms, kitchens, and backyards throughout New York. Your support will make it possible for an entire class (no matter where they're learning from!) to experience the transformative power and collaborative spirit of the arts for a full year.

**\$5,000 MAKE A DREAM COME TRUE!** At NDI, we believe that every child is a dancer. Your involvement will help children with disabilities to experience the thrill of the arts through movement, live music, and performance.

**\$2,500 KEEP THE MUSIC PLAYING** Live music is integral to all of NDI's arts education programs. Your donation will ensure that NDI musicians and their music fill not only our classrooms, but the lives of our young dancers as well.

**\$1,000 SPONSOR A DANCER** NDI is reaching thousands of school children each week from all corners of the nation's largest public school system with our rigorous and participatory arts and learning programs. Your contribution will help ensure that each and every one of these dancers has the opportunity to experience the joy and power of the arts in their lives.

**Packages and passes for this virtual event have replaced tickets and tables this year. Your generous support at these traditional giving levels will keep our children engaged in the arts at this most critical time.**
